XXL-F

47 TIERED POCKETS // 7 ZIPPERED POCKETS

H: 17" x L: 25.5" x W: 9.5"

This bag is the "soft side" version of the classic carpenter's wooden tool box. It stores longer tools like hand saws, framing squares, pry bars, framing hammers, etc., and offers ergonomic transportation and protection on and off the jobsite.

OT-LC

36 TIERED POCKETS // 4 ZIPPERED POCKETS

H: 17" x L: 13.5" x W: 9.5"

This compact version of the OT-XL is an open-top tool bag that holds up to 75 tools and gear like cordless drills, extension cords, caulk guns and anything else that fits. A compact grab-and-go workhorse.

CS //

OT-XL

40 TIERED POCKETS // **4** ZIPPERED POCKETS

H: 17" x **L:** 16.5" x **W:** 9.5"

This is the open-top version of the award-winning VETO PRO PAC XL, featuring the same sturdy construction and ergonomic features, but offering internal vertical pockets and open spaces to store larger punch-list items. This is a setup, grab-and-go bag which, like all OT bags, offers quick open-top accessibility and tool storage convenience.

OT-XXL

58 TIERED POCKETS // **4** ZIPPERED POCKETS

H: 17" x **L:** 25.5" x **W:** 9.5"

This extra large tool bag accommodates hand saws, 2-foot levels, pry bars, framing squares and over 100 hand tools and accessories. Load it up, cancel your gym membership...this bag hauls.

"The New VETO PRO PAC gets high marks for keeping tools organized, easily accessible, and in good working order."

— This Old House Magazine

"The VETO PRO PAC is the best tool organizer that I've seen. It has a list of features as long as your arm."
